Watermelon

Ultra-refreshing and bursting with flavour it is the perfect summer star. Liven up your menu by introducing watermelon granitas and sodas or mix with other fruit syrups for an easy and exciting new flavour combination.

Watermelon syrup

Sweetbird Watermelon syrup is ultra-refreshing, made with real watermelon juice. The perfect addition to a refreshing, summer, frozen granita or simply add three pumps to sparkling water for a delicious watermelon sparkler. The real watermelon juice gives it a beautiful authentic tropical aroma as soon as the syrup is opened.

Watermelons, originally from Africa are now enjoyed worldwide due to their refreshing and sweet flavour. Customers are looking for experiences that remind them of scorching hot holidays in foreign climates. With this in mind we have launched this flavourful syrup to help quench people's thirst for adventure. This summer get transported away by the tropical fragrance and taste of Sweetbird Watermelon syrup.
