Fragrant and beautifully pink adding botanical flair to summer and winter menus.

ROSE SYRUP

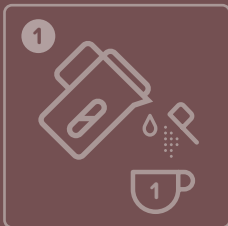

Made with natural flavours and colours, and free from preservatives, new Sweetbird Rose syrup is vegan approved and answers the big 2022 trend for botanical flavours. The deep red syrup adds just the right amount of pink to lemonades, sodas, and any white chocolate recipe. Use the syrup to add a classic Turkish Delight Hot Chocolate to menus, and light, bright Pink Lemonades for summer.
