Creative syrup

The Flavour of Sweet, Buttery Popcorn in Every Sip! Sweetbird Popcorn Syrup captures the essence of this movie-night delight in your favourite drink. Be sure to go all out with the toppings, pile whipped cream high, drizzle with caramel sauce then finish with some popcorn for really Instagramable serves.

Butter Together

Sweetbird Popcorn Syrup is a new, innovative product and is the perfect way to add a touch of fun and excitement to your drinks. The rich, strong savoury corn flavour with a slight roasted nut note and a buttery sweet finish will transform your iced coffees, milkshakes, frappés and hot chocolates into irresistible treats.

Get Creative

The latest Sweetbird syrup is not just a flavour enhancer; it's an invitation to unleash the inner barista and craft your own signature beverages. Experiment with different combinations to create the perfect popcorn-inspired concoction. Whether you prefer a subtle hint or an explosion of flavour, our syrup is the versatile ingredient that will elevate hot and cold drink creations

How to make a Frappé

- Fill glass with ice, level to the top of the glass.
- Pour milk over ice (to 1cm below the top).
- Pour contents of glass into blender jug.
- Add 1 scoop of frappé and 2 pumps of syrup.
- Put the lid on tightly then blend until smooth.
- Top with whipped cream, a drizzle of sauce and a handful of popcorn. Et Voilà!
