THE COLLECTION

Simply blend with ice and milk of your choice to create silky-smooth frappés.

VANILLA BEAN (ve)

Made with real Madagascan vanilla bean extract, this special vegan-approved blend is loved worldwide. Delicious and versatile, it can be enjoyed as an ice-blended frappé on its own (made with dairy or non-dairy milk), or as the perfect base to create custom milkshakes and smoothies using other Sweetbird ingredients. Add a double espresso to create your own house blend frappé.

CAFFÉ (ve)

Made with rich Brazilian coffee and a touch of West African cocoa for added sweetness and depth. A consistent tasting coffee frappé perfect for speedy serves without having to pull endless espresso shots. Approved for vegans.

CHOCOLATE (v)

A deliciously velvety frappé this is our rich mix of 10% Belgian chocolate powder and West African cocoa. Add two pumps of cherry or raspberry syrup for a delicious fruit twist.

MOCHA (v)

Our delicate balance of Brazilian coffee, Belgian chocolate powder and West African cocoa in one delicious mix. This is the easy way to create a cool coffee frappé with a rich, chocolatey twist.

STICKY TOFFEE (v)

Our unique mix of Brazilian coffee and West African cocoa, made with 11% real British toffee pieces. We use demerara sugar for a richer taste and that nostalgic buttery flavour customers will love.

LIQUID FRAPPÉ

& GRANITA BASE (ve)

Developed by our experts, this base blends perfectly with other Sweetbird products, from fruit purées and smoothies to the fruity, creative and classic flavours of Sweetbird syrups. The neutral base allows other ingredients to burst through while giving frappés a silky smooth consistency.

Granitas are simple and quick to make; just two pumps of base, ice, water and your choice of flavour. These high profit drinks are an instant winner on hot days. Hot chocolate powder also works to make the ultimate chocolate granita that you have to taste to believe!
