# Fusions+ Syrups

*It's not just about great taste, these syrups bring functional ingredients, refreshment, and a touch of theatre to menus all year round!*

Introducing Sweetbird Fusions+ Syrups - a vibrant way to power up your drinks. Made with high-quality functional ingredients; vitamins or caffeine, they come in three refreshing flavours: Lime & Pink Guava, Apple & Rhubarb, and Mango & Passionfruit.

Just add three pumps, shake or stir with ice, and serve with freeze-dried fruit for extra wow. Create functional coolers, iced teas, or lemonades that deliver more than a great taste in every sip.

- Mouthwatering new flavours; Apple & Rhubarb, Lime & Pink Guava, Mango & Passionfruit
- Just 3 pumps for a 12oz/355ml Functional Cooler
- Free from artificial colours and preservatives
- Made in Bristol, UK
- 40+ 12oz/355ml serves per bottle
- Vegan Society approved
- Bottles made with 100% PCR material
- For extra wow shake or stir with a scoop of freeze-dried fruit – your drinks will look as good as they taste! Ask us about our fruit inclusions!
