Sweetbird Mango Syrup delivers the rich, juicy flavour of fresh mangoes, providing a sweet and tangy profile that evokes a tropical paradise. We've added 20% mango juice with just the right amount of tanginess to create a syrup with depth and complexity. The result is a perfectly balanced syrup that captures the essence of biting into a juicy mango on a warm summer day.

Sweetbird Lychee Syrup has a refreshingly sweet and aromatic flavour profile, perfectly capturing the essence of fresh lychee. The first sip introduces a burst of juicy, grape-like sweetness, layered with delicate floral undertones reminiscent of rose and jasmine, the finish is crisp, tropical, and delicately fragrant, making it a versatile ingredient that elevates both simple and sophisticated drinks.

Sweetbird Pineapple Syrup is a tropical escape in a bottle, bringing a bold and juicy tasting experience. Made with 22% pineapple juice enjoy a refreshing burst of ripe pineapple, evoking the sun-soaked flavours of the tropics. This is complemented by subtle hints of citrus, balancing the sweetness with a gentle tang for a well-rounded flavour. Perfect for hot summer days and tropical-inspired moments.
