Iced Tea Syrups

Our ten carefully created syrups are the easy way to add thirst-quenching black, green and sugar-free iced teas to your menu.

SWEETBIRD ICED TEA SYRUPS

We've created our iced tea range to help you create speciality iced teas in an instant. With 10 refreshing flavours, from traditional teas to syrups with added exotic fruits, green tea and fragrant botanicals, the range delivers sophistication in a syrup. It delivers simplicity too. No more brewing hot tea and waiting for it to cool (hoping it's the right strength). Simply add a few pumps to a pitcher of still water, chill, and you have the perfect iced tea that's ready to pour when you are. Or stir up spontaneous sales with a pitcher of cool iced tea on the counter – there's nothing more quaffable on a hot summer's day. Make any of these teas in an instant with sparkling water for extra refreshment.

JASMINE LIME

We've infused real tea extract with fragrant jasmine and aromatic lime juice to create this delicate thirst-quencher.

PASSIONFRUIT LEMON

Our recipe of lemon juice, passionfruit juice and real tea extract creates a tropical flavour that quenches thirsts and cleanses palates.

PEACH

We've taken the juice of plump peaches and added real tea extract to create this classic blend.

DOSAGE & DISPLAY

Make the most of your syrups by using our black Sweetbird branded syrup pumps.

These give a 8ml dose to ensure accurate and consistent portions. For an organised and professional looking counter, present your syrups in our black syrup stand, designed to hold three syrup bottles.

Thirst-quenching watermelon is the perfect partner to the green tea extract we created this tea syrup with. Light in colour and taste it's the ideal refresher on a hot day.

CUCUMBER & MINT GREEN

Our infusion of green tea extract with cucumber and mint; refreshment doesn't get more refreshing. So easy to make, it's profitable as well as delicious.

SUGAR-FREE PEACH

Made with peach juice and real tea extract and no added sugar for even lighter refreshment.

SUGAR-FREE RASPBERRY

Made with real raspberry juice and black tea extract, our Sugar-free Raspberry Iced Tea syrup gives the aroma of sweet raspberries and refreshment of iced tea without the sugar.
